Business and Community engaged for a better Cornwall

Cornwall 100 Club is a select group of like-minded businesses that believe in 'social responsibility' at a grass roots level.

We have come together to financially support Cornish communities and local charity, making a real, positive and measurable difference within our beautiful county.

The association, status and profiling within the club serves to enhance and promote our business reputations.

Membership Benefits:

Worry of giving taken away

As a member, you can pass all the requests for money up to the grants panel at The Cornwall Community Foundation. A standard template letter is supplied to explain that your philanthropy is managed by the C100 club, and you can relax, knowing that the grants team will contact each applicant, help them with advice as well as filling in the forms, as their diligence is second to none.

Use of the C100 logo

Use the logo on your letterheads, business cards etc. to show everyone that you are supporting Cornwall - we help everyone in the county, and Isles of Scilly, older, younger, disadvantaged and those with disabilities. You will be supplied with a certificate for your reception and a poster for your staff room and the logo for your printer!

Networking

We have several events each year, speaker event, social, CCF Awards Ceremony and 'Seeing is believing' visits so you can see where your money has been spent. Meet your fellow members, have great fun, whilst pulling together to help the county!

Staff Morale

We can come into your office, talk to your staff, encourage them to volunteer, and to fund raise so that the team pull together and also get some valuable PR for you and for the club.

All of the above for a £1,000 donation per annum... we really aim to work with you to not only help Cornwall but to also tick your Corporate Social Responsibility boxes, and help you with your events and PR!

We encourage members to pay monthly by standing order where possible and a membership form is opposite for you to complete.

Do please visit our website www.cornwall100club.co.uk to view the most up to date membership list - we are delighted that the top businessmen of the county are supporting us and are not only signing up as members but are offering their staff to volunteer, offering their services for the community groups to use, and to fund raise too!

Once we receive your form, Claire Thayers, Membership Director will contact you to arrange to meet, to hand over your Welcome Pack and to hand you your lapel pin for you to wear with pride!
